

Project: Footwear Carbon Footprint (Reference: LIFE12 ENV/ES/000315 – CO2Shoe)

Dissemination to Croatian Chamber of Commerce

On 13 April 2016, CEC met the Croatian Chamber of Commerce at its premises and presented the CO2Shoe project to Branka Prislic, the representative of the Croatian Chamber of Commerce responsible for footwear within fashion and creative industries. CEC explained how the project aims to contribute to the reduction of the carbon footprint of footwear manufactured in Europe.
